2. The information populated on the screen should be reflective of your previous check order. If you want to order a different style, start by clicking "Products" and make your choices. Otherwise, you should verify the information you want imprinted on your check and make sure to update the check number to start with. If you would like to order deposit tickets, you can select "Personal Products", then choose "Deposit Tickets". You can also order extra check registers, under Accessories.

Mobile App:

1. Log into Online Banking and tap the hamburger menu in the top right corner.
2. Select “Accounts”, “Account Activity” and scroll past the Account History down to Account Details. Choose your Checking Account from the drop-down. Then tap “Order Checks”.

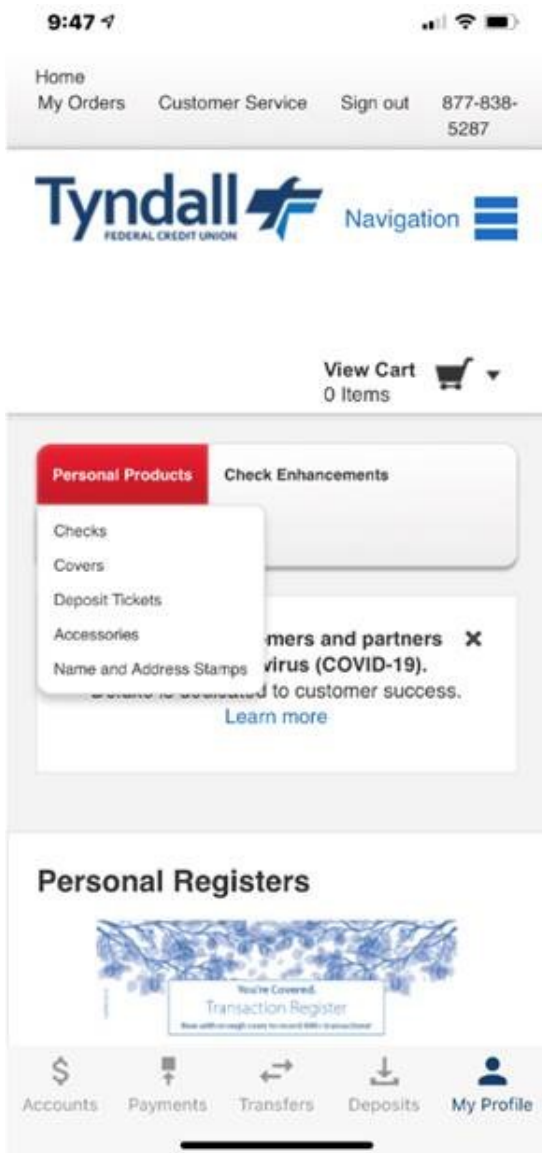

The screenshot shows the account details for a Classic Checking account. At the top, the Tyndall Federal Credit Union logo is displayed on the left, and a notification icon and a hamburger menu icon are on the right. The account details are listed in a table-like format with horizontal dividers. At the bottom, there are two dark blue buttons with white text and icons: "Order Checks" and "Edit Nickname".
